Pine Ridge 'Down Hill Family Fun'

November 20, 2008

Special \$895 Family Season Ski Pass Offering

We would like to take this opportunity to extend our best ever season's pass offering. At only \$895.00 your family ski pass pays for itself in as few as 6 visits! We also offer individual ski passes for children, adults and seniors.

Pine Ridge is a hidden jewel nestled next to the hardwoods of the Copeland Forest in Horseshoe Valley. Your pass allows you to enjoy this and so much more! This pass entitles you to join us for social activities for the whole family throughout the ski season; a quality snow school program with discounted pricing for members; award winning ski racing for kids and adults; our junior terrain park which provides an opportunity to gain experience with rails and boxes and a very family friendly atmosphere. Pine Ridge is "Where Friends Become Family".

As an added feature, families joining Pine Ridge will receive complimentary family coupons to Central Ontario's largest water park, Splash Canyon.

Pine Ridge opens it's doors for the 2009 ski season on December 27, 2008. We've included a coupon for you to join us for a one free day of skiing to start you off. Like so many others, come be part of the exhilaration of winter at Pine Ridge Ski Club.

Yours truly,

Mort Cooper
Program Development and Marketing
